AMBAU GmbH operates five production plants and employs a total of 700 persons. AMBAU Personalservice GmbH and AMBAU Windservice GmbH also belong to the corporate group.

The product portfolio of AMBAU GmbH ranges from towers for onshore wind energy plants right up to the large offshore towers for 5-megawatt-plus plants.

Beyond this, AMBAU's range of products includes offshore foundations, monopiles, jackets, transition pieces and secondary steel.

Renewable energies will continue to grow in significance and AMBAU GmbH is ideally placed to benefit from this growth market with five efficiently networked facilities in Germany, including Bremen, Gräfenhainichen, Am Mellensee, Dessau and Cuxhaven, together with the production capacity that they represent.
